- Minutes from December meeting read and approved.
- C-CALA proposal discussed. New guidelines for 2003 arrived today and were forwarded by Suzanne. Paul will send them onto Michael, as he would have used the 2002 guidelines in his preparation of the proposal. Paul also to send additions by Suzanne and Yvette to proposal to Michael to add. Once Michael is done, Paul will add the members' list and it will be ready to send off before the April 15/03 deadline.
- Yvette mentioned Suzanne will be contacting Patti Restouce from Senior Resource Nurses as she is interested in having High Blood Pressure training for seniors and this would fall into the realm of the proposal.
- The public forum (March 20) at Greater Forest Lawn Seniors Club was discussed. Paul went over the event in detail. There were 60 people attending the presentation by Michael. He did a great job on the session and even better answering all the questions. Everyone attending was very impressed and would like us to come back soon. Questionnaires were handed out and they have been passed onto Norm. The idea was to have the data summarized for preparing the next forum. It was decided we would a meeting should be called specifically for future forum planning. Yvette will work on the poster as planned and we need more Variety of pamphlets to distribute for next time.
- Paul announced he would be stepping done from the Chair position on the Hypertension Sub-group. The offer is out to anyone who would like to take on the role. Please let Paul know your interest.
- Aundrea and Andrea from the communication group gave a presentation on the template to be used to assist them in promoting any events in the future. It was agreed a member form the Communications group should be at any Forum meetings. Nicola and Andrea will be added to the Hypertension Sub-group e-mail list to keep them up to date.
- **The next meeting wasn't planned as yet.**
